Chukat – Balak

This week Hashem teaches Moshe all about the פרה אדומה. This is a red cow that would make everyone pure.

The Jewish people have been traveling in the desert for 40 whole years! Miriam passes away and her rock that gave the people water stopped. So Hashem tells Moshe "You should talk to the rock and ask him for water." But, Moshe became angry because all the people were complaining;

"Moshe, we're thirsty!" "Moshe, where's the water!"

"Moshe, I am tired!" "Moshe, when will we have water?!"

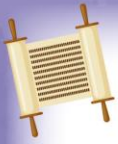

So, Moshe hits the rock instead. Water came rushing out, yay! But, Hashem said that because Moshe didn't listen, he and Aharon will not be able to go into Israel.

There was also a king of a not Jewish kingdom called Balak, he wanted the evil wizard, Balaam, to curse the Jewish people. So, Balaam went onto his donkey to curse the Jewish people. The donkey then saw an angel that Hashem sent with a sword and got scared and stopped. Balaam then hit the donkey to carry on and the donkey spoke back saying: "Why are you hitting me! There is an angel over there!!"

Balaam then tried to curse the Jewish people 3 times. But, instead of cursing them, Hashem made him bless them 3 times!
