Matot-Massei

Have you ever promised to do something and not kept your promise? In this weeks' Parshah, the Torah tells us to be very careful about making promises so that we don't accidentally break them. Instead of making a promise, one should say "I hope I can . . ."

We also see a war this week. The Jewish people fought and won the war against the nation of Midian.

The Jewish people were about to enter Israel to conquer it when 2 tribes, Reuben and Gad, decided that they would like to be given East of Jordan as their land. They wanted the land as it was very green and grassy and had a lot of food for their animals. Moshe was first angry; "Why do they not want the precious land of Israel?! They want this land instead?!" But then he calmed down and said; "You can have this land, but first you need to help all of use fight and conquer the land!" Gad and Reuben agreed and they were at the front of the army when fighting.

We look through all the journeys and places the Jewish people stayed at in the desert. They did 42 journeys!!

When you arrive in the land of Canaan, this is the
land which shall fall to you as an inheritance, the
