

# Inscribe in our Torah

BE A  
PART  
OF  
THE  
UNITY.

I encourage you — **our friends and supporters** — to partner with us and to begin 5787 with a deeply meaningful commemoration. Heaton Park Shul experienced a painful chapter together. Now we can experience true joy together. Take a dedication in this Sefer Torah and stand with the strength of community, Jewish life, and the Torah.

Supporters may choose multiple letters, pesukim, or parshiyos to celebrate entire branches of their family, honour a meaningful milestone or remember a loved one.

Take a part in this Sefer Torah and enjoy the unique chance to own a parsha — the parsha becomes yours, and you'll remain connected to it yearly with a public announcement in shul. Those who seize this rare opportunity to buy a parsha will be invited on the day of the Hachnosas Sefer Torah with their family to complete a letter, be photographed together, and receive a certificate of acknowledgement.

Thank you for joining us in remembering Mr Melvin Cravitz מ"ה & Mr Adrian Daulby מ"ה. Your solidarity with our community is immensely powerful.

With wishes for blessings and success for you and your families,

*Rabbi Daniel Walker*

UNITY  
**Sefer  
Torah**

Join Heaton Park Hebrew Congregation as  
we dedicate a Unity Sefer Torah in memory  
of **Melvin Cravitz** הי"ד and **Adrian Daulby** הי"ד

SHINE THE LIGHT. CELEBRATE OUR COMMUNITY. PERPETUATE THEIR MEMORY.

# Yom Kippur 5786

left an indelible mark on our community. On Sunday, 11th October 2026, our community will come together united, uplifted, and filled with hope for a Hachnosas Sefer Torah, bringing this Unity Sefer Torah into our Shul.

As Shacharis began on the holiest day of the year, two cherished members of our community, Mr Melvin Cravitz and Mr Adrian Daulby, lost their lives in a terrorist attack. Our community was left reeling.

Yet even in the face of grief and horror, we responded with strength and resilience, faith and unity. We returned to prayers as soon as we could and stood together. We drew comfort from one another and from the sense of community that has always defined our shul.

As we approach the first yahrzeit of Adrian and Melvin, **Avraham Yaakov ben Dovid Benzion** ה"ד and **Meir Eliezer ben Binyamin** ה"ד, we invite our members and the wider community to take part in the dedication of a Sefer Torah in their memory, perpetuating light and Judaism in the face of terror and hate.

ADRIAN

MELVIN

Melvin and Adrian stood for our shul and for everything our community represents. This Sefer Torah will ensure that their memory inspires future generations. This momentous project allows every member of our shul and the wider community to be part of something lasting and meaningful.
